

HELP PROTECT OHIO GUN RIGHTS ON AUGUST 8th

VOTE YES ON ISSUE 1

ISSUE 1 is a proposal to protect our state constitution from outside special interests who want to come into the state and spend millions of dollars to impose gun control and more.

If approved, ISSUE 1 would make it more difficult to amend the Ohio Constitution, protecting it from the whims of mob rule and big money from outside of Ohio that want to:

- Regulate and confiscate our guns
- Legalize abortion for all nine months AND transgender surgeries, without parental consent
- Eliminate election security measures to induce fraud
- Redistrict our Legislators yet again to turn Ohio blue
- Raise the minimum wage
- And more
